

# Mrs. Arbuckle's 2<sup>nd</sup> Grade Update

Date: May 11, 2012

## Reading

We have been reviewing and hitting the highlights in Unit 6, just so they have heard the skills for third grade.

## Spelling

We are done with spelling for the year.

## Field Day

What a fun time! The students really enjoyed themselves on Wednesday. I hope your child came home talking about the fun things they did.

**"Believe you can and you're halfway there."  
~ Theodore Roosevelt**

## Thank you

I want to thank everyone for a wonderful year. It has been a joy and pleasure to teach your child. I am going to miss every single one of them. I have grown so attached to each one. I wish everyone the best and will hopefully see you around this summer. I hope everyone has a great summer break. I will see all of you as you pass my room to go to third grade. Thanks for all the great memories and smiles that I will enjoy for a lifetime.

## End of the Year Survey

In your child's folder I have put an end of the year survey that I would like for you and your child to fill out and send back to me. It will only take a few minutes of your time and I would greatly appreciate it so I can see what you and your child have thought about this school year and what improvements could be made. Thank you in advance.

## Science

We will discuss that energy comes in the form of heat, light, or sound. This can cause matter to move or change. We will also talk about how pushes and pulls are forces that move things and magnets exert a force that can both push and pull.

## Social Studies

We will finish up Unit 6 next week and then we will do some review of topics discussed throughout the year.

## Math

We are going to briefly discuss addition and subtraction of 3-digit numbers as well as the understanding of multiplication and division.

Monday	Tuesday	Wednesday	Thursday	Friday
30 <u>#13 Book Report Due</u>	1	2 Field Trip to Walk About Acres in Columbia	3	4
